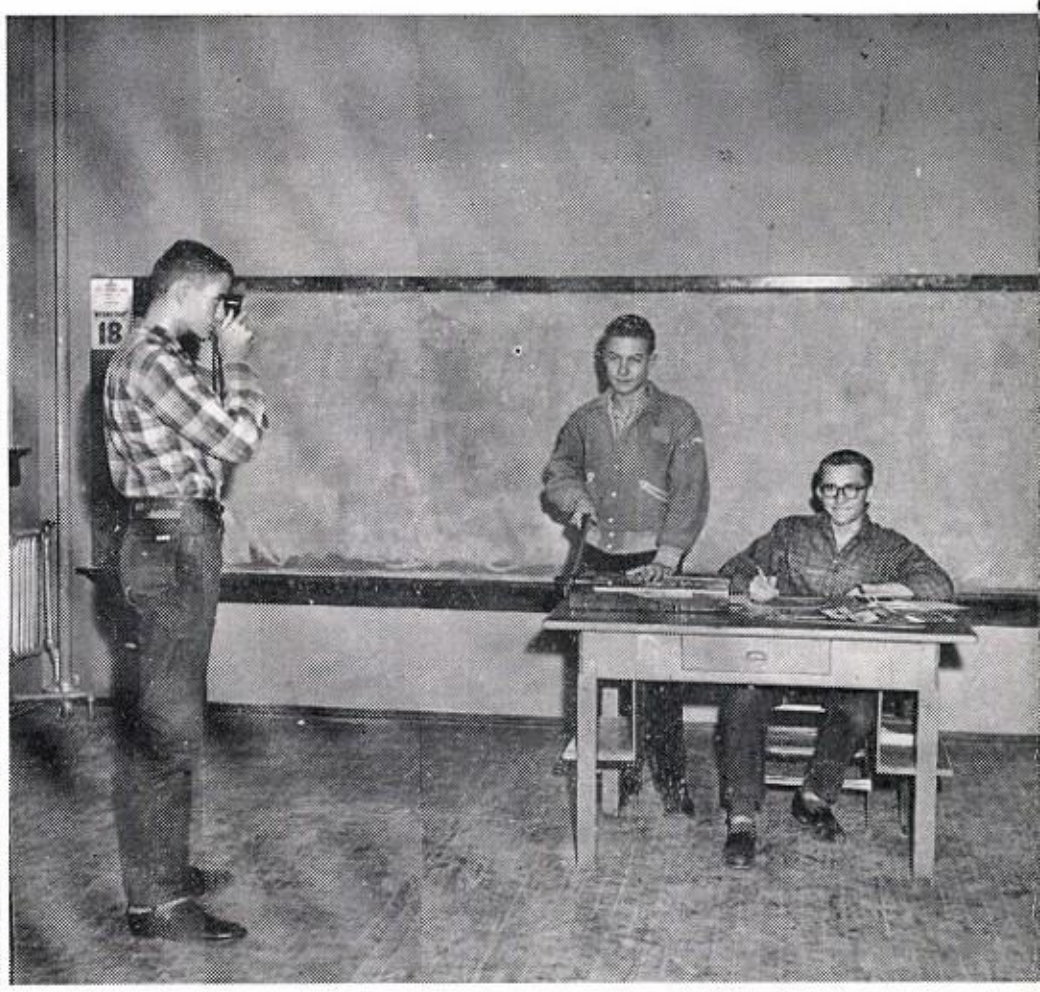
YELLOW JACKET

SUMMER OF '57 finds Mrs. Golden, Elizabeth, and Mildred, going on one of many trips to the cover company in Dallas.

The yearbook begins in the summer!

Activities speed up in the fall. . .

TIME-PAYMENT PLAN is an inducement to buy early, offered by the staff. Eugene and Pat accept down payments from Rebecca and Larry to reserve their annuals.



GETTING PICTURES for the annual is a difficult but interesting job. Staff Photographer John Moser snaps John Ed and Dee as they plan layouts and crop pictures.

Continue through the winter. . . *And climax in the spring!*

CLASS EDITORS Penny, Judy, Jeannette, and Sheron have a tremendous task - - - planning layouts, cropping and pasting pictures, and typing copy.

LOU MARTIN comes to the staff's aid by making yellow jackets for the presentation play. Lola and Mosetta take time out to watch.

Dedication

For her joy of living, for her friendliness that is contagious, for her willingness to cooperate with the student activities, for her generosity with her time and efforts, and her loyalty to S. H. S., we the Annual Staff Dedicate this '58 Yellow Jacket volume to

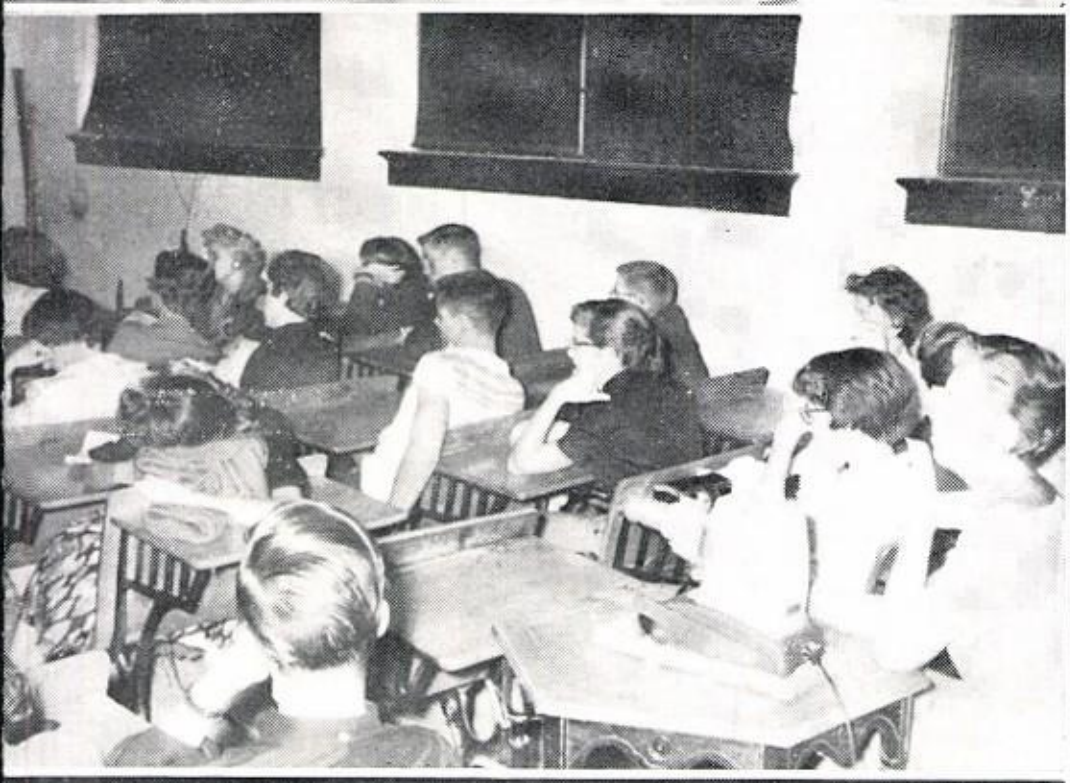
Room Activities



In Memory of

Mr. Jim Tucker Mobley

Whereas, on the 19th day of March, 1958 the patrons of the Stephenville Independent School District lost the services of an outstanding educator in the passing of Mr. Jim Tucker Mobley; and

Whereas, Mr. Mobley led a useful and successful life. He served as classroom teacher, coach, and elementary supervisor in various schools in Texas for 35 years; his tenure in the Stephenville Public Schools consisted of 27 years except for 1 year service in the United States Army during World War II; and

Whereas Mr. Mobley was admired by his fellow-workers, his students, and school patrons for his untiring devotion to his work, to his family, and to his community. He has suffered many trials and tribulations, but no one ever heard him complain. He was always looking to the good in humanity, and never criticized anyone in an uncomplimentary manner; and

Whereas, Mr. Mobley is survived by his wife, Mrs. Laura Mobley; two children, Mrs. Nancy Mobley Smith of Georgetown, Texas, and Jim T. Mobley of Texas A & M College; and

Whereas, The People of Texas and especially of the Stephenville School District are shocked and bereaved at the loss of such an outstanding educator; therefore, be it

Resolved, That this page of the Yellow Jacket be dedicated to his memory.

J. C. HELM, Jr.

AT THE HELM OF OUR SCHOOL for four of its growing years, has been our Superintendent J. C. Helm, Jr. In his busy schedule, Mr. Helm can still find time to visit with us on our campus and to participate with us in our activities. As a result of his long hours of diligent work against what seemed to be insurmountable odds, Stephenville's voters have recently given overwhelming approval for the construction of a modern, up-to-date high school building to meet our growing needs. We are indeed fortunate to have such an outstanding leader and friend.

SECRETARY - LaViece Ramsay

COLLIN B. JONES

Principal

IN THE 28 YEARS that Mr. Jones has been principal of S.H.S. he has seen the enrollment grow from 225 to 500, the plant expand from one to six buildings, and the faculty increase from twelve to twenty-three teachers. The smooth running and efficiency of the school is a credit to his leadership.

To The Blue and The Gold

By Grace Chandler Colwick

Here's a toast to Stephenville High,
We her praises ever sing,
Stand and cheer her name once again;
Loudly may the echoes ring.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue.

To the Blue - - to the Gold - -
To our school and its glorious history;
To our faith - - to our zeal - -
To the days we remember so joyfully.

To the Blue - - to the Gold - -
May we carry our banner to victory;
To our hopes - - to our dreams - -
To the world we shall make ours some day.

Here's to all our glorious past,
Here's to our victories won - -
Here's to glorious future years,
For our fame has just begun.

Fill a glass for happy times,
Sons and daughters ever true,
Always holding deep in loyal hearts
The Spirit of the Gold and Blue

Here they stand by the finished product before pep rally.

THE 1958 TRACK TEAM started slowly, picking up only a few scattered points in the Brady Relays, the Southwestern Recreation Meet, the Bluebonnet Relays, and Tarleton Relays. The 19-man team developed first place power by the Killeen Relays, where Wood won the 220, Golden won the 440, Barham won the 880, and the sprint relay team (Jones, Golden, Keahey, and Wood) and the mile relay team (Barham, Keahey, Grief, and Golden) won first place trophies. Wood placed second in the 100 and Jones was Second in the 220 to give the team enough points to take second place trophy. At the 9AA District Meet Wood retained his sprint titles, as Jones placed third in both the 100 and 220. Golden broke his own 440 record, with Keahey finishing second. Barham broke his own 880 record, as did the sprint and mile relay teams. Loutherback got the only other first place in the shot put. Other points came from a second in the low hurdles by Grief; third in the high hurdles by Grief and the broad jump by Wood, and third place ties in the high jump by Grief and the pole vault by Elliott; and fourth places from Arthur in the mile run, Brewer in the discus, and Golden in the broad jump. Wood received the district high-point trophy.

Golden finished second in the 440 and Barham finished second in the 880 at the Region 2AA Meet, to qualify for the State Meet, while Wood finished third in the 220 and fourth in the 100.

BASEBALL

Since the Yellow Jacket goes to press before the baseball season, we do not have a record of the 1958 baseball season. Several of the boys are playing for their fourth year as regulars, and the new-comers have added strength to the team. Tommy Loutherback, Hollis Skillman, Dee White, Tommy Glasgow, Beverly Cawyer, and Jerry Brock will do the pitching with Mike Keahey, Jim Coleman, and Doug Smithey catching. Mike Fleming, Tommy Glasgow, Vernon Gunn, Bobby Glasgow, and Butch Henry are available for the infield; and Jim Coleman, Beverly Cawyer, Dee White, Tommy Loutherback, and Hollis Skillman will play in the outfield.

EDITOR'S MESSAGE

The 1958 YELLOW JACKET presents a shooting star, exploding into a myriad of activities that are your year at S. H. S., trailing memories to warm you a lifetime.

Flashback Highlights, giving coverage of late spring events in S.H.S., appear for the first time. Other new features are the Faculty Directory and a Student Index, alphabetized by classes and listing pages on which the student's picture appears.

This book could never have been produced without the full cooperation of both students and faculty and that of our yearbook craftsmen, Mitchell Studio, Miller's Studio, Southwestern Engraving Company, Stephenville Printing Company, and American Beauty Cover Company. We wish to express our sincere thanks to each of you.

If we have recorded the highlights of this year so that each time you turn the pages of this book you will recall a wonderful year, then our goal has been achieved. This is your book just as you have made it through your activities, and we hope you enjoy this, your

Thirty-Man Squad Set For '58 Junior Jackets

Coach Jack Deavenport and assistant Sam Taylor at Stephenville Junior High School are readying a 30-man squad for the school's opening 1958 football game with Dublin's Junior Lions in TSC's Memorial Stadium Sept. 23.

Quarterbacking the Junior Jackets this year will be Mike Brandt and Gary Golden. Brandt is an eighth grader and Golden a seventh grader.

The remainder of the backfield will see Randy Chandler, Jack Ballow and Pat Ballow manning the halfback slots with Don Collins, a tackle on last year's squad, working from the fullback post.

Listed as ends on the 1958 team are Bobby Bell, Dohn Barham, Aubrey Cawyer, David Cook and Rhett Stone.

Tackles on the team are Harry Bradley, Ronnie Altaras, Dale Pair, Leonard Chapman, Ricky Hendrickson and Butch Harbin.

Guards are Bruce Boase, Fred Ewers, Allen Birdwell, Charles

purchased one of the prize bulls of the USA, Eva's Bandolier Ladd, for $35,000. The bull brought this price even though old and crippled; and he justified the price. He has sired two international grand champions, and one of its sons, now top bull at Ohio State University, has scored some of the top records in the nation.

It is against the very strict rules of the Aberdeen Angus Association for any Angus bull to be bred artificially. To get the service of Slater's bull, therefore, it would have been necessary to buy a minimum of one-third interest in the bull. Not more than three men can own an Angus bull Thus an ordinary cattleman would have had to pay around $10,000 to secure the services of Eva's Bandolier Ladd.

If a bull is bred artificially. against the rules of the Aberdeen Angus Association, then the association refuses to register the offspring.

artificial insemination from a prize bull, isn't that the next thing?"

"I thought the President should have a calf from our fine bull," Mr. Slater replied, "but never at any time have I given a cow to the President."

Note — Sen. James Murray of Montana, chairman of the Senate Interior Committee, is planning to investigate the reasons for violating long Interior Department precedent by granting an oil concession in the Lacassine Wildlife Refuge to Slater's company. There is no evidence that Slater intervened with the Interior Department. Subordinate officials of the department say that orders came from the very top to grant the [redacted] other app[redacted] of [redacted] pu[redacted] mu[redacted]
